Grow a Sustainable Career at Scottish Woodlands Ltd

Does meeting new people, living and working in new places and building your skills feel like the perfect next step for you?

Who we are and what do we do:

Scottish Woodlands Ltd is a leading forestry management company with a long tradition of serving forest owners and investors in Scotland and the rest of the UK.

We provide a comprehensive range of forest, estate and land-related services underpinned by our in-depth market experience, knowledge base and commitment to quality. The business is largely employee owned, and this encourages a dedication and commitment to the highest standards of professionalism and customer focus.

Roles & Opportunities available:

- Forestry & Harvesting Management Opportunities
- Investment & Business Development Management
- Technical & Professional Support Managers
- Graduate Development Programme
- Office Support functions
- Arborists, Forestry Operatives and Plant Operators

What you will get in return for your hard work and commitment:

Benefits can include:

- Discretionary Bonus Scheme
- Generous Annual Leave Entitlements
- Generous Contributory Pension Scheme
- Occupational Sick Pay scheme
- Life Assurance & Permanent Health Insurance
- Private Medical Cover
- Professional & Personal Development
- Health & Lifestyle Benefits such as Employee Assistance Programme & Cycle to Work Scheme
- Opportunity for Share Ownership

Our aim is to understand each client's specific objectives and then to provide a service which is both flexible and personal.

Application Process:

Applications can be made through our online applicant tracking system. As part of the application process, you will be required to upload a Cover Letter and CV as well as relevant qualification certificates.
